Maritime Glatt Kosher MGK

The MGK is a conglomerate of various Rabbanim who all are either currently or have previously held the highest administrative positions in mainstream Kashrus organizations. Each Rav Hamachshir is responsible for hiring and training his own group of mashgichim who will support him in the supervision of that particular cruise. Our Head Mashgichim have all had cruise supervision experience, a critical element in insuring that the highest level of Kashrus be maintained. We also send a larger team of mashgichim per cruise, in comparison to other existing programs. Our programs are Glatt Kosher, Chalav Yisroel and Pas Yisroel.

Rabbi Aharon Chein has been associated with the Georgian Jewish Community since 1992. He was born in Oni, Georgia and grew up in Israel where he studied consecutively at the following institutions: Rabbi Yosef Caro elementary school, Yeshivat Hanegev, Yeshiva Ketanah, and Gedola. He completed his Rabbinical studies in the Kollel of Sderot in 1982.

In 1998 he received an invitation from Georgian President Eduard Shevardnadze to join him in Georgia to celebrate the 26th century of Jewish existence in the country. It was in that year that Rabbi Chein decided to form a new organization, Federation of Georgian Jews, dedicated to uniting all Georgian Jews. As a result, the Federation organized three historical projects in 2000: Rabbi Chein traveled to Georgia together with 18 volunteers from New York and Israel to make a central Hagadah on both nights of Passover with more than 600 people taking part in the events. Rabbi Chein spent many years working as a Shochet, a Kosher slaughterer and is considered an expert in Kosher Meat production. Rabbi Chein is also an expert mohel since 1980 as well as a sofer. In 1999, Rabbi Chein founded Strictly Kosher Organization and leads it presently. The highest standards of Kashrut are always observed.
