About the Conference

Implants

Synopsis: This course will review the planning, surgical treatments and restorative aspects of implant surgery and will include a hands-on restorative component with the Ankylos Dental Implant.

Learning Objectives:

- Understanding diagnosis and treatment planning, diagnostic models, digital radiology and CT scans
- Treating single tooth, partially and fully edentulous patients, fixed and removable implant restorations
- Understanding dental implant provisioning: how to, new materials and techniques
- How to set up cases and systems for a successful implants practice

AGD Points Value:

12

Conference Pricing: Dentists: \$795 + tx / Auxiliaries: \$275 + tx

(AGD approval does not imply acceptance by a state or provincial board of dentistry or AGD endorsement)

Dr. Stephen Diana

Dr. Stephen Diana graduated from the University of Toronto in 1997 after which he completed a dental internship at Toronto General Hospital. He has continued his education in general practice and implant training in Florida, Switzerland, California and Spain under Drs. Daniel Buser, Michael Pikos and Anthony Sclar.

He lectures extensively on the surgical and restorative aspects of implant therapy nationally. He is a mentor to his participants and supports local Study Clubs.

Dr. Diana is a member of the International Congress of Oral Implantology, the Canadian Dental Association and the Toronto Implant Study Club. He has been in private practice since 1999 in Georgetown, Ontario and operates an Implant Centre in Acton, Ontario.

About the HAL Noordam

The newest of the Vista-class ships, the Noordam continues Holland America's tradition of comfortable, elegant and classy ships. There's no shortage of spectacular views from this ship. The two-tiered Vista Dining Room is located in the aft of the ship and offers panoramic views of the sea. The signature Crow's Nest Lounge gives a bird's-eye view from the top of the ship. Eighty-five percent of the ship's cabins have ocean views, and nearly 80% of those have private balconies. One of the most unique features is the Culinary Arts Center, a state-of-the-art show kitchen with plasma video screens and cooking display counters - a must-see for food and wine enthusiasts. Other activities and amenities include a video arcade, basketball and volleyball courts, and fitness center.
