**The MGK is a conglomerate of various Rabbanim** who all are either currently or have previously held the highest administrative positions in mainstream Kashrus organizations. Each Rav Hamachshir is responsible for hiring and training his own group of mashgichim who will support him in the supervision of that particular cruise or Passover program. Our Head Mashgichim have all had cruise supervision experience, a critical element in insuring that the highest level of Kashrus be maintained. We also send a larger team of

mashgichim per cruise, in comparison to other existing programs. Our programs are Glatt Kosher, Chalav Yisroel and Pas Yisroel.
