Passover 2010
Boca Raton Resort & Club

Boca Raton, Florida

Welcome to a legendary resort in fabled Palm Beach County. The Boca Raton Resort & Club is clearly one of the worlds greatest resorts. Situated on 356 luscious acres, the shaded pathways that lead around the resort are steeped in history and tradition. Presidents, celebrities and captains of industry have all walked these very paths. It is here, too, that relaxation, enjoyment and peace of mind have been elevated to a true state of the art. The resorts signature building, the Cloister, is steeped in old-world elegance and charm. Built in pink stone and terra cotta tile, this Mediterranean style castle has been lovingly cared for and tended for more than 60 years. Archways, loggias, tiled patios, palm trees, quiet gardens and cool fountains are all part of an ambiance and atmosphere that is the setting for our Passover program.

Located just 30 minutes from Ft. Lauderdale Airport and West Palm Beach Airport, the resort offers a multitude of deluxe guest rooms and suites in a number of different and distinct styles. The Boca Beach Club is minutes away via the hotel's shuttle boat (or by roadway) to a half mile stretch of private beach and the turquoise blue ocean.

In addition to the resort's main swimming pool, Boca's Beach Club offers additional pools including one for tots. Beach activities boast a wide variety of fun water sports including boogie-boarding, catamarans, inner tubes, fun yaks and more. The 2 championship 18-hole golf courses on site are world-renowned as are the 30 clay tennis courts, which are lit for evening play. Our guests will have free entrance to the 6,200 sq. ft. state-of-the-art Fitness Center. It features the latest in high tech cardio vascular equipment, including stair masters, life cycles, rowing machines, as well as Cybex machines and free weights. For those of you who wish to be pampered and rejuvenated, Boca's new 50,000 sq. ft. Spa Palazzo is available at a nominal charge. It has been rated one of the top spas in the country.

Boca's award-winning chefs and culinary staff have been working diligently with us and with the chefs and staff of Prestige Caterers, one of America's premier Glatt Kosher caterers, to bring new menu enhancements that will surely tantalize even the most discriminating palate. Whether in the dining room, tea rooms, buffets or barbecue, exciting new delights await your dining pleasure, all under National Kashruth Supervision (NK Glatt).

The educational program, terrific day camp and live entertainment will surely make this holiday complete and memorable.

For a wonderful gratifying experience this Passover, join us at this incomparable world-class resort.
