Passover 2010
Hotel Cap Roig

Costa Brava, Spain

There is a charming corner on top of a cliff facing the sea, overlooking the waves crashing lightly into the rocky inlets spread out in the bay opposite the hotel. The luxurious six floor "Cap Roig" hotel is located above this.

The hotel is luxuriously furnished and tastefully designed in accordance with the best European traditions. It boasts a spacious lobby, a luxurious dining room, two swimming pools (indoor and outdoor), Jacuzzi and sauna, a hall for children's games, tennis, billiard and bridge rooms.

The sea shore next to the hotel is private and is reserved exclusively for our guests.

There are inviting footpaths around the hotel.

You may discover additional paths for walking next to the wild rocky sea-shore or the patrol path of the coast guards. Likewise, you will find golf and tennis grounds next to pretty well-kept shops, all within the pleasant Spanish holiday atmosphere.

The hotel rooms are elegantly designed in the classical Spanish style which suits the environment. Most of the rooms have a sea view. The hotel has 170 rooms of varying sizes according to the following specifications:

Delux - 110 double rooms with an adjoining porch and an open view towards the sea, fully equipped bathroom, Jacuzzi, telephone, lounge and safe.

Regular - 40 regular double rooms with an adjoining porch, fully equipped bathroom lounge and telephone.

Appartments - Small appartments, meant for 2 to 5 people, living room furnished with lounge and sofa, fully equipped bathroom and kitchen, panoramic porch overlooking the sea, air conditioning, telephone and safe.

Family Suites - 12 family suites with a view towards the sea.

This Program Features

Strictly kosher

This Passover Program is strictly Kosher. The gastronomic kitchen produces international quality meals in the traditional style. Throughout the vacation, starting from the hotel cutlery and continuing with the hot food served during the Chol Hamoed trips, you will feel that you are in the most professional hands which lovingly and willingly give you the best.

Your host takes care of both the small and large details.

Returning back guests still have sweet memories of the vacations they had with us, vacations which they didn't want to end...

The kitchen is under the constant supervision of Rabbi D.S. Zuldán Shlita, Dayan of the Seret Viznitz community in Haifa. We use shmura matza and not gebrocht.
